Structural and Stylistic Features

First Person Narrative as a Device

The use of the first-person perspective is central to the work's impact. It invites intimacy and immediacy, making the reader a confidant in the narrator's journey. Notable stylistic elements include:

- Nonlinear chronology, with memories and reflections layered non-chronologically.
- Stream-of-consciousness passages that reveal inner thoughts and emotional states.
- Interweaving of colloquial language and poetic prose.

Narrative complexity

The novel employs a layered narrative structure with multiple voices and perspectives, sometimes within the same chapter. This multiplicity underscores themes of multiplicity in identity and the fluidity of self-perception.

 - The performative aspect of self-presentation.
 - The tension between personal authenticity and societal labels.
-
- Cultural and Linguistic Dislocation

Elements include:

- Flashbacks and vivid imagery.
 - The use of symbolic motifs to represent trauma and resilience.
 - The intersection of personal memory with historical or political contexts.
